

# Let's go on a Treasure Hunt with God.

Spend some time listening to God, remember that God can speak to us through words or pictures in our minds, through feelings or physical responses in our bodies. Ask God to share with you somebody who He wants you to find today.

Ask God what the person you are looking for looks like, what colour hair do they have, what are they wearing?

Decorate the picture of your person.

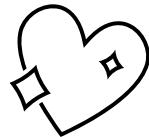

Ask God where the person you are looking for is, are they near a landmark or in a specific road or place?

Ask God - is there anything else you need to know about them?

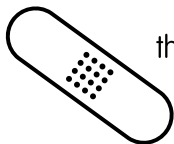

Ask God for something to share with this person.

Is there something right with their heart

OR

something wrong with their body that you might need to pray about

Write it down or mark the place on the picture of the person.

Set off in search of the person God has told you about.

Always check with a grown up before talking to a stranger.

Politely explain:

I am on a treasure hunt and I think you are the treasure I am looking for.

Show your treasure map and ask if you can pray for the person you have found.
